The Medway Towns South East Project

www.jah-jireh.org

Since Jah-Jireh was established in 1985, we have cared for many faithful ones from all over Britain in our homes in the North West of England and South Wales.

For a long time now we have desired to open a Jah-Jireh home in the South East of England to care for brothers and sisters in a location that is easily accessible to their family and friends. This is now becoming a reality.

Our objective is to build a 65 bedded care home with nursing facilities on our site in The Medway Towns, Kent.

Please pray earnestly for Jehovah's blessing that this project might be completed.

This is our Leyland home to show the standard we wish to achieve. Please see our website www.jah-jireh.org for more information and to keep up to date with the latest news on the South East project.
